Verse 1

Lift your song, lift your voice, lift your hands, lift a shout
Lift your heart to the One who took sin on himself
Lift your eyes towards heaven, see the coming of the King

Verse 2

Break the chains, break the walls, break the fear, break the doubt
Break the hearts that are hardened by sin not found out
Take the years of the famine, and bring on the latter rain

Pre Chorus

For we are seeking, searching for your truth,
Nothing less will do

Chorus

Oh woah, this is no ordinary, no ordinary love
Oh woah, you came and you set us free when you died for us
Oh woah, this is no ordinary, no ordinary love
Oh woah, raised again we'll sing your name, we'll sing your name
