Verse 1

Holy holy is the Lamb
Holy holy is his name
Worthy of praise
For he has faced the grave, and he has overcome
He holds creation in his hand
The mountains bow the oceans stand
The heavens rejoice
The stars all lift their voice, to sing of all he's done.
Singing

Chorus

Holy holy the Lamb was slaughtered
Bring him blessing and power and praise
He is worthy to receive glory and honour
Wisdom is his, who was and who is, and is to come

Verse 2

Worthy worthy is the King
To whom all praise and glory be
The sun stars and moon
Are dimmed beyond all view, as his glory starts to shine
The hosts of angels gather round
The elders bow and throw their crowns
Eternity stills
As truth is being revealed, and all nations and tongues,
